FREE DASHLANE FOR YOUR LOVED ONES

Extend Dashlane protection to up to nine friends or family members.

WHETHER AT HOME OR AT THE OFFICE, DASHLANE GIVES EVERYONE A SIMPLE WAY TO LIVE SAVVIER ONLINE.

Because you use Dashlane at work, you have free access to a Dashlane Friends & Family plan, normally \$90/year. You can gift Dashlane to up to nine loved ones for free.

WHY SHARE DASHLANE WITH FRIENDS AND FAMILY?

EACH PERSON RECEIVES:

- A private Dashlane account
- The strongest encryption and most secure passwords on unlimited devices
- Alerts when a breach affects their data
- Fast, accurate auto-login and autofill for forms and payments
- Easy and secure sharing for passwords and notes

HOW DO I REDEEM MY DASHLANE FRIENDS & FAMILY PLAN?

- Check your inbox for an email from Dashlane about the Premium Family plan offer.*
- Follow the link in the email to create your admin account.
- Invite up to nine other people to join your plan by sending them an invite link.

WHAT IF I LEAVE MY COMPANY OR WE STOP USING DASHLANE AT WORK?

Because your company uses SSO to sign in to Dashlane, you won't be able to access or recover your account information when you leave. We are currently working on a solution for letting you keep your data. Anyone you invited to your Friends & Family plan will keep their accounts and data, but their plan will switch to Dashlane Free.

*If you don't receive a redemption email, [please submit a support request](#).
